TERMS OF SALE AND ORDERING INSTRUCTIONS

All orders of \$2.00 or over will be mailed Postpaid. Prices in this list are net, except that bulbs priced per each, may be purchased ten at 8 times the single rate. Cash in full must accompany order except that orders of \$5.00 or over may be accompanied by 25% of purchase price and balance sent before time shipment is desired.

All stock is guaranteed true to name and free from thrips and disease. If on receiving shipment any items are for any reason unsatisfactory, they may be returned for refund or credit on exchange, provided they are returned within 5 days. We do not guarantee growth, flower production nor results of bulb or bulblet crop, because the conditions of planting and culture, weather and pest damage are not within our control.

We advise you to order early while our stock is complete in order to avoid disappointment.

BULB SIZES

Large bulbs have diameters of $1\frac{1}{4}$ inch and up.

Medium bulbs have diameters of $\frac{3}{4}$ inch to $1\frac{1}{4}$ inch.

Small bulbs have diameters of less than $\frac{3}{4}$ inch.

SPECIAL NOTICE

Names on our mailing list not credited with an order in the past two seasons will not receive a catalog unless you send us a request for same.

PLEASE DO NOT RISK

Please do not risk sending currency in the mails. Use Bank Draft, P. O. Money Order, Express Money Order, or Personal Check. If you send currency, risk of loss in the mails must be assumed by yourself.

Note that all varieties in the descriptive list are priced the same for one large bulb, two medium size or three small and that we do not fill orders for less than two medium or for three small unless the amount for such item would be 10c or more. For instance in the variety "Alpine", two medium are offered for 10c, but we do not accept an order for one medium for 5c as we lose money labeling and sacking any item for less than 10c.

However in a variety such as Crimson Tide priced at 30c, one medium may be purchased for 15c or one small for 10c. The same would apply to any variety priced high enough so one medium or either one or two small would figure at 10c or over. Of course when you wish to order one or two small or one medium **in addition** to one or more large you may do so regardless of price as they are then sacked together and do not require separate labeling.

BULBLETS

Bulblets of any variety may be purchased at the rate of ten bulblets for the price of one large or one hundred for six times the price of one large bulb. Less than 10 bulblets may be ordered if purchase price amounts to 10c or more.

DISCOUNTS

If your order amounts to \$5.00 or over, you may select 20% of order's value in extra bulbs of your selection without extra cost. For instance if your order amounted to \$6.40 as an example, 20% would be \$1.28, so you could add that amount in extra bulbs free of extra cost. 25% discount on orders of \$10.00 or over, (in extra bulbs). On orders of \$25.00 or over from retail list you may take a cash discount of 20%.

GLADIOLUS CULTURE

Instead of printing planting and cultural instructions in our catalog this season, we shall enclose a special culture booklet with every order for \$2.00 or over. On orders for \$1.00 or over this booklet may be had for 10c extra. We do not accept orders for less than \$1.00.

No. 4—There is a vast difference in taste when it comes to preferences in gladiolus. For the benefit of those who like the dark colors and smokies we have made up a special mixture with some each of light colors and white, but with plenty of the deep and black reds, purples and smokies. Price—**\$6.00** per 100 large size.

No. 5—For those who like to have a lot of different varieties in their mixture we are offering an assortment containing one bulb each of 50 varieties, large bulbs for **\$3.50** or two each of 50 varieties for **\$6.00**. Varieties will be of our choice and not labeled.
